	(Original Signature of Member)
117	TH CONGRESS 2D SESSION H.R.
	To amend the Internal Revenue Code of 1986 to repeal the excise tax on heavy trucks and trailers, and for other purposes.
	IN THE HOUSE OF REPRESENTATIVES
	Mr. LaMalfa introduced the following bill; which was referred to the Committee on
	A BILL
То	amend the Internal Revenue Code of 1986 to repeal the excise tax on heavy trucks and trailers, and for other purposes.
1	Be it enacted by the Senate and House of Representa-
2	tives of the United States of America in Congress assembled,
3	SECTION 1. SHORT TITLE.
4	This Act may be cited as the "Modern, Clean, and
5	Safe Trucks Act of 2022".
6	SEC. 2. FINDINGS.
7	Congress finds that—

1	(1) the 12-percent Federal retail excise tax on
2	certain new heavy trucks, tractors, and trailers, cou-
3	pled with new regulatory mandates, significantly in-
4	creases the cost of new heavy-duty trucks, tractors,
5	and trailers and discourages the replacement of
6	older, less environmentally clean and less fuel eco-
7	nomical vehicles;
8	(2) this 12-percent Federal retail excise tax is
9	the highest percentage rate of any Federal ad valo-
10	rem excise tax;
11	(3) the Federal excise tax was first levied by
12	Congress in 1917 to help finance America's involve-
13	ment in World War I;
14	(4) the 12-percent Federal retail excise tax rou-
15	tinely adds between $$12,000$ and $$22,000$ to the cost
16	of a new heavy truck, tractor, or trailer;
17	(5) more than half of the Class 8 trucks on the
18	road are over 10 years old and lack a decade of envi-
19	ronmental and safety technological advancements;
20	(6) since 2007, new trucks have reduced carbon
21	dioxide emissions by 202 million tons, nitrogen oxide
22	emissions by 27 million tons, and saved 20 billion
23	gallons of diesel and 472 million barrels of crude oil;
24	(7) an owner of a single Class 8 truck powered
25	by the latest clean diesel engine can expect to save

1	about 2,200 gallons of fuel each year compared to
2	previous generations of technology;
3	(8) over the past 3 decades, cleaner fuel and
4	advanced engines have combined to reduce nitrogen
5	oxide (NOx) emissions by 97 percent and particulate
6	matter (PM) emissions by 98 percent;
7	(9) the Federal excise tax disproportionately
8	impacts electric and alternative-fueled trucks, which
9	currently have a higher up front cost, at a time
10	when adoption of these technologies is needed to ac-
11	celerate the transition to zero emission vehicles and
12	the reduction of carbon pollution from transpor-
13	tation;
14	(10) there are approximately 1,300,000 United
15	States manufacturing, supplier, dealership, and
16	heavy-duty trucking and trailer related jobs;
17	(11) since the Federal retail excise tax on cer-
18	tain new heavy trucks, tractors, and trailers is based
19	on annual sales, receipts from the tax deposited in
20	the Highway Trust Fund can vary greatly;
21	(12) Congress should consider a more reliable
22	and consistent revenue mechanism to fund the High-
23	way Trust Fund:

1	(13) Congress should advance the deployment
2	of the most modern, clean, and safe trucks through
3	eliminating the Federal excise tax on trucks; and
4	(14) repealing the Federal excise tax would re-
5	sult in the replacement of older internal combustion
6	engine trucks with new heavy duty trucks that em-
7	ploy the latest safety and environmental tech-
8	nologies.
9	SEC. 3. REPEAL OF EXCISE TAX ON HEAVY TRUCKS AND
10	TRAILERS.
11	(a) In General.—Chapter 31 of the Internal Rev-
12	enue Code of 1986 is amended by striking subchapter C
13	(and by striking the item relating to such subchapter from
14	the table of subchapters for such chapter).
15	(b) Conforming Amendments.—
16	(1) Section 4072(c) of such Code is amended to
17	read as follows:
18	"(c) Tires of the Type Used on Highway Vehi-
19	CLES.—
20	"(1) In general.—For purposes of this part,
21	the term 'tires of the type used on highway vehicles'
22	means tires of the type used on—
23	"(A) motor vehicles which are highway ve-
24	hicles, or

1	"(B) vehicles of the type used in connec-
2	tion with motor vehicles which are highway ve-
3	hicles.
4	"(2) Exception for mobile machinery.—
5	"(A) IN GENERAL.—Such term shall not
6	include tires of a type used exclusively on mo-
7	bile machinery.
8	"(B) Mobile Machinery.—For purposes
9	of subparagraph (A), the term 'mobile machin-
10	ery' means any vehicle which consists of a chas-
11	sis—
12	"(i) to which there has been perma-
13	nently mounted (by welding, bolting, riv-
14	eting, or other means) machinery or equip-
15	ment to perform a construction, manufac-
16	turing, processing, farming, mining, drill-
17	ing, timbering, or similar operation if the
18	operation of the machinery or equipment is
19	unrelated to transportation on or off the
20	public highways,
21	"(ii) which has been specially designed
22	to serve only as a mobile carriage and
23	mount (and a power source, where applica-
24	ble) for the particular machinery or equip-

1	ment involved, whether or not such ma-
2	chinery or equipment is in operation, and
3	"(iii) which, by reason of such special
4	design, could not, without substantial
5	structural modification, be used as a com-
6	ponent of a vehicle designed to perform a
7	function of transporting any load other
8	than that particular machinery or equip-
9	ment or similar machinery or equipment
10	requiring such a specially designed chas-
11	sis.".
12	(2) Section 4221 of such Code is amended—
13	(A) in subsection (a)—
14	(i) by striking "(or under subchapter
15	C of chapter 31 on the first retail sale)",
16	and
17	(ii) by striking "4051 or",
18	(B) in subsection (c), by striking "and in
19	the case of any article sold free of tax under
20	section 4053(6),", and
21	(C) in subsection $(d)(1)$ , by striking ",
22	and, in the case of the taxes imposed by sub-
23	chapter C of chapter 31, includes the retailer
24	with respect to the first retail sale".

1	(3) Section 4222(d) of such Code is amended
2	by striking "4053(6),".
3	(4) Section 4293 of such Code is amended by
4	striking "section 4051,".
5	(5) Section 4483(g) of such Code is amended
6	by striking "section 4053(8)" and inserting "section
7	4072(e)(2)".
8	(6) Section 6416(b)(2) of such Code is amend-
9	ed by striking "or under section 4051".
10	(7) Section 6416(b) of such Code is amended
11	by striking paragraph (6).
12	(8) Section 9503(b)(1) of such Code is amend-
13	ed by striking subparagraph (B) and by redesig-
14	nating subparagraphs (C), (D), and (E) as subpara-
15	graphs (B), (C), and (D), respectively.
16	(c) Effective Date.—The amendments made by
17	this section shall apply to sales and installations on or
18	after the date of the introduction of this Act
