The Honorable Kay Granger
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chair DeLauro and Ranking Member Granger,

I am requesting funding for the Dixie Fire Collaborative [Re]Build project in the Fiscal Year 2023 Transportation, and Housing and Urban Development appropriations bill.

The project sponsor for this project is the North Valley Community Foundation, located at 1811 Concord Avenue, Suite 220, Chico, CA 95928. The project itself will take place in the town of Greenville, CA 95947.

This project is a valuable use of taxpayer funds as it will begin a two phase strategy involving community members from Greenville, Canyon Dam, and Indian Falls, government agencies, and local organizations to assess community strengths and weaknesses pre-fire, and determine how to make the community better in order to best meet the livability, safety, and economic development needs for all while becoming more resilient to future natural disasters.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Doug LaMalfa
Member of Congress
