The Honorable Tom Cole
Chairman
House Committee on Appropriations
Washington, D.C. 20515

The Honorable Rosa L. DeLauro
Ranking Member
House Committee on Appropriations
Washington D.C., 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the E Street and Westgate Water Improvement Project in fiscal year 2025. The entity to receive funding for this project is the City of Williams, located at 810 E Street, Williams, California, 95987. The funding would be replacing approximately 6,800 feet of deficient, severely corroded, and leaking pipelines, services and meters in the City of Williams. The project is an appropriate use of taxpayer funds because all improvements will result in water conservation and savings in a disadvantaged community that cannot otherwise afford to complete the project. It will also allow for increased pressures to provide fire flow to the oldest commercial part of town.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Doug LaMalfa

Member of Congress
