The Honorable Tom Cole
Chairman
House Committee on Appropriations
Washington, D.C. 20515

The Honorable Rosa L. DeLauro
Ranking Member
House Committee on Appropriations
Washington D.C., 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Sheriff's Office Public Safety Radio Communication Enhancement Project in fiscal year 2025. The entity to receive funding for this project is Modoc County Sheriff's Office, located at 102 South Court Street, Alturas, California, 96101. The funding would be used to bolster the county's public safety radio communications system by assisting with the acquisition of essential vehicles and equipment, installation of backup power generators, and upgrading of radio equipment at key tower sites. The project is an appropriate use of taxpayer funds because the project represents a strategic investment in public safety and emergency preparedness, demonstrating our commitment to serving and protecting all members of our community, regardless of geographic location or environmental challenges.

The project has a Federal nexus because the funding provided is for the purpose described in section 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(8)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Doug LaMalfa
Member of Congress
