The Honorable Tom Cole
Chairman
House Committee on Appropriations
Washington, D.C. 20515

The Honorable Rosa L. DeLauro
Ranking Member
House Committee on Appropriations
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Biggs Tank and Pump Station Project in fiscal year 2025. The entity to receive funding for this project is City of Biggs, located at 465 C Street, Biggs, California, 95917. The funding would be used for the addition of a municipal water system well and 1.5 million gallon above ground steel water storage tank. The project is an appropriate use of taxpayer funds because it will provide safe, reliable drinking water.

The project has a Federal nexus because the funding provided is authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Doug LaMalfa
Member of Congress
