The Honorable Tom Cole
Chairman
House Committee on Appropriations
Washington, D.C. 20515

The Honorable Rosa L. DeLauro
Ranking Member
House Committee on Appropriations
Washington D.C., 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Emergency Services Enhancement Project in fiscal year 2026. The entity to receive funding for this project is the Southern Cascades Community Services District located at 205 Ash Valley Road, Adin, California 96006. The funding would be to acquire a permanent facility for emergency services, including EMS staff, emergency vehicles, and helicopter hangar, and make improvements to that facility. This is a good use of taxpayer funds as it closes emergency medical services gaps in a remote region to provide the public with improved services and response times.

This project has a federal nexus because it is for the purposes authorized in Section 5305(a)(2) of Title 42, United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Doug LaMalfa
Member of Congress
