The Honorable Tom Cole
Chairman
House Committee on Appropriations
Washington, D.C. 20515

The Honorable Rosa L. DeLauro
Ranking Member
House Committee on Appropriations
Washington D.C., 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Yuba City Police Interoperability and Encryption Radio Communications Project in fiscal year 2026. The entity to receive funding for this project is Yuba City Police Department located at 1545 Poole Blvd, Yuba City, California 95993. The funding would be used for providing first responders with UHF, VHF, 700mhz and 800mhz capabilities, enabling communications with all bordering counties, our regional partners, as well as State agencies, such as Cal Fire, CHP and the California Radio Interoperable System (CRIS). This is a good use of taxpayer dollars because it helps the Police Department provide critical law enforcement and public safety services in the community.

This project has a federal nexus because it is for the purposes authorized in section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Doug LaMalfa
Member of Congress
