April 10, 2023

The Honorable Kay Granger  
Chairwoman  
House Committee on Appropriations  
Washington, D.C. 20515

The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
Washington, D.C. 20515

Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for the SC-OR Wastewater Treatment Plant Upgrade project in fiscal year 2024. The entity to receive funding for this project is Sewerage Commission Oroville Region (SC-OR), located at 2880 S 5th Avenue, Oroville CA 95965. The funding would be used for upgrading the SC-OR wastewater treatment plant. SC-OR operates wastewater collection and treatment facilities that serves the greater Oroville, California region. The project is an appropriate use of taxpayer funds because the upgraded plant will provide improved water quality for salmon habitat in the Feather River, and improved water quality for recreation and downstream users of the State Water Project.

The project has a federal nexus because the funding provided is for purposes authorized by y Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Doug LaMalfa  
Member of Congress
